Our Cover

This month's cover celebrates Amateur Radio in public service. For decades, hams like Tammy Scheirman, VA6TSS, have volunteered their skills to assist in everything from storm spotting to disaster relief. In the inset photo, taken by Jerry Clement, VE6AB, Tammy is participating with her club, the Foothills Amateur Radio Society of southern Alberta, Canada, during a mock disaster exercise conducted by Canada Task Force 2. Besides FM voice communication, APRS-IS messaging was also used during the exercise.
