How do I obtain study materials to teach an Amateur Radio class?

www.arrl.org/catalog/dlrsearch.phtml

ARRL Instructor Discount Program

Teaching an Amateur Radio class takes dedication. The results are extremely gratifying, especially when newcomers earn their own licenses and begin enjoying their new privileges on-the-air.

To encourage more ham radio classes, ARRL has established the **ARRL Instructor Discount Program**. Under this program, ARRL-registered volunteer instructors and ARRL-registered school teachers may order discounted instructional material.

Instructor Discount guidelines:

1. Discounts are extended to ARRL-registered Instructors or ARRL-registered Teachers on certain instructional publications (see discount schedule on back). If you're not already registered as an Instructor or Teacher, please contact the ARRL Field & Educational Services Department before ordering (phone 860-594-0292 or e-mail ead@arrl.org).
2. Orders must be pre-paid. ARRL books are always sold on a non-returnable basis. Books are shipped within a few days of your call (be sure to indicate when your class begins). To ensure prompt handling, please order by phone, toll-free 1-888-277-5289 (orders only).
3. ARRL will pay ground transportation charges on orders for instructional materials. ARRL reserves the right to select the carrier of its choice.
4. You may request a FREE instructor's desk copy of *The ARRL Ham Radio License Manual* (#9639) if your order includes 15 items or more.
