Section Traffic Manager's Report

From Brian Jenks W9BGJ, Section Traffic Manager

To all Net Managers, please remember to turn in your reports to Brian Jenks W9BBJ, Section Traffic Manager, by the 6th of the month (stm@inarrl.org).

Attached is the Section Traffic Manager's report for October 2025. Note of interest 2 of the larger VHF nets in the state failed to submit their report on time this month. I will reach out to the respective net managers and remind them of the deadline for reporting...Thank you and 73

*Wishing the very best of everything to our QIN family in this
Christmas season and throughout the coming year!*

Can you believe it; another year has whizzed by! QIN continues to function as Indiana's exemplary cw section traffic net in the face of a changing communications environment thanks to our loyal net control operators and net membership! I wish each of you a

*Merry Christmas and
A healthy and prosperous 2026 ahead!*

To our snow birds: have a safe trip and winter stay in your warm wx get-away! We will look forward to your return in the spring! To those of us who for whatever reason are faced with another Indiana winter: keep warm; stay healthy and keep in touch via QIN as often as you can. In all cases, to all of you, let us know how you are doing via QNI, radiogram, text, etc.

As you may know, Brian W9BGJ has been working to re-establish the morning or Early (**QIN/E**) net sessions. Both 80 meter and 40 meter bands along with early and late morning times have been tried with mixed results. Brian will be taking a month's hiatus until after the first of the new year due to work, family and holiday demands, but hopes to resume the morning QIN sessions early in 2026. Brian would like to hear from you as to your preferences for frequency/band and morning net times via radiogram or email. With your input and help, maybe the morning QIN (**QIN/E**) can again become the viable morning Indiana cw traffic option it once was!

December can be a hectic time for most of us due to the Christmas and the New Year holidays; life's demands, Indiana's unpredictable weather, and the year end/year beginning chores! Don't let life overwhelm you! Take a little time for yourself. Call a friend you've not chatted with in a while. Re-read a favorite book or article. Work on a ham project you've been ignoring. Take a couple of deep breaths- relax! Every day is a gift!

Amateur radio exists for the service we can provide.

73,

Bruno NJ9S

Technical Specialist Coordinator's Report

From Tom Busch WB8WOR, Technical Specialist Coordinator

Technical Specialists are urged to send their reports to Technical Coordinator Tom Busch WB8WOR (tc@inarrl.org).

Mark Skowronski K9MQ

I assisted the family of a silent key concerning various options for getting rid of the equipment. To help them make an informed decision, I educated them about using the sold listing feature on Ebay to help determine equipment value. They ended up deciding to donate everything to the local radio club, which I helped arrange the donation.

Roger McEntarfer N9RM

For the month of November, I continued keeping busy with the Whitley County Amateur Radio Club and Tamiami Amateur Radio Club meetings, and VE Testing in Indiana, Venice, Florida and nationwide with multiple teams and VEC's.

I continued working with the Whitley County W5YI VE Team with virtual remote testing and In Person Testing.

The Whitley County W5YI/ARRL Test Team will be conducting In Person and Virtual Amateur Radio Test sessions through the year.

ATTENTION: Free Student Testing!! W5YI Licensing Services now offers free testing for students 25 years of age or younger! Yes, you read that correct! Testing fees are covered for all 3 licenses classes, and for Technician applicants, they will also cover the \$35 application fee! Subject to valid student ID verification. If you are a student registering to test, after completing registration, please send an email to rlmcen56@gmail.com, with your name and Student Applicant, so your registration is confirmed. If you register at the Fort Wayne Hamfest, show your Student ID to the Volunteer Examiners.

Virtual test sessions are held every Monday evening a W5YI at 8:00 PM and an ARRL session at 8:30 PM. To register for any of these test sessions visit: <https://hamstudy.org/sessions/n9rm> Upcoming In-Person test sessions: The Auburn Hamfest , July 18, 2026, from 10:00 AM – Noon. To register visit: <https://hamstudy.org/sessions/n9rm> If you need a different day or time, please let me know as we can set up testing any day of the week or time of day to fit your needs. The cost to take the test is \$14.00 for W5YI and \$15 for ARRL.

The next WCARC General Meeting will be held at the Lower-Level Meeting Rooms A&B of the Parkview Whitley Hospital, SR 205 Columbia City, IN 46725. The Program for the evening will be announced soon.

Jeff Delucenay KB9QG

Dec 8th - I helped a local ham getting his license renewal.

Dec 12th - The new tower at our repeater site is completed. The analog and DMR repeater, the WinLink Gateway and the APRS Digipeater are now back on-the-air. However, I did find a cable issue on the transmit side on the duplexer. One of the Tee connections is cracking. The harness is an old UHF configuration with crimped connectors. I am investigation options for the duplexer.

Dec 21st -- Phil KA9LAA asked for some guidance on renewing his license.

I hope everyone had a good Christmas and I wish everyone a Good New Year!

Public Information Coordinator's Report

From Barry Palencer KC9WMS, Public Information Coordinator

Public Information Officers are urged to send their reports to Public Information Coordinator Barry Palencer KC9WMS (pio@inarrl.org).

DeKalb County PIO John D Maag – KD9QDL

The tower project is coming along. The guy wire mounts and tower base is poured. The tower should be here the week of November 17 th . Hopefully erection will start in 2 weeks after the concrete has hardened. As of Dec 15 th the new tower is up and W9OU, DMR, WINLINK and APRS is up and running. The club is happy to have our repeaters back on the air. The Northeastern Indiana Amateur Radio Association received our grants from the DeKalb Visitors Bureau. One for signs for our events, Field Day, K9A special event for the Auburn Cord Duesenberg Automobile Museum Festival. We also received a sponsorship for the NIARA Hamfest on July 18 th .

Whitley County PIO Roger McEntarfer, N9RM

I announced in the local news media: WANE TV News, WPTA 21 Alive News, WOWO, WFFT Fox 55 Media, WJHS 91.5 FM (Whitley County Joint High School) radio station, Ink Free News, Times Union News, The Post & Mail, The Hoot News of Whitley County, Adams Radio Group, Journal Gazette. HF Nets: Indiana Traffic Net and several of the local 2M and 70 CM nets around the northern Indiana area about the Whitley County Amateur Radio Club (WCARC) Annual Dinner Meeting on December 11, 2025, the Whitley County W5YI & ARRL Virtual Remote Test Sessions every Monday at 8:00 & 8:15 PM, and the Whitley County Amateur Radio Club (WCARC) General Meeting on January 8, 2026.

The next WCARC General Meeting will be held at the Lower Level Meeting Rooms A&B of the Parkview Whitley Hospital, SR 205 Columbia City, IN 46725. The Program for the evening will be announced soon.

The Whitley County W5YI/ARRL Test Team will be conducting In Person and Virtual Amateur Radio Test sessions throughout the year.

ATTENTION: Free Student Testing!! W5YI Licensing Services now offers free testing for students 25 years of age or younger! Yes, you read that correct! Testing fees are covered for all 3 licenses classes, and for Technician applicants, they will also cover the \$35 application fee! Subject to valid student ID verification. If you are a student registering to test, after completing registration, please send an email to rlmcen56@gmail.com, with your name and Student Applicant, so your registration is confirmed. If you register at the Fort Wayne Hamfest, show your Student ID to the Volunteer Examiners.

Virtual test sessions are held every Monday evening a W5YI at 8:00 PM and an ARRL session at 8:30 PM. To register for any of these test sessions visit: <https://hamstudy.org/sessions/n9rm>

Upcoming In-Person test sessions:

The Aunurn Hamfest , July 18, 2026, from 10:00 AM – Noon. To register visit: <https://hamstudy.org/sessions/n9rm>

If you need a different day or time, please let me know as we can set up testing any day of the week or time of day to fit your needs.

The cost to take the test is \$14.00 for W5YI and \$15 for ARRL.

Affiliated Club Coordinator's Report

From Jimmy Merry KC9RPX, Affiliated Club Coordinator

Affiliated clubs across Indiana are encouraged to send a note to Jimmy Merry, ARRL Indiana Section Affiliated Club Coordinator, each month. Please include the following:

- Please be sure to send me any club news. Example: Historical events, Upcoming events, Outstanding member, etc. Include captioned photos.
- Regular updates about your club, its events, special occasions, club news, outstanding members, and other newsworthy items.

This information could let hams across Indiana know what is going on in your club. Assist hams in your area know about your club. Help membership. And assist other clubs across Indiana with ideas. Please send to kc9rpx@arrl.net.

Activity Details:

DISTRICT 3-----

Several AARES members from NE Indiana Supported the Ignite Trail Series Marathon/Half Marathon

DISTRICT 6-----

Randolph Co: General Nets and meeting

Tipton Co: Regular Nets

Grant Co: Still fine-tuning repeaters, waiting on new controller to link machines, hopefully back to normal soon

Delaware Co: 3 weekly Nets held on 441.900 & 146.730 repeaters and 146.490 Simplex

ALLEN -----

The Allen County ARES DMR Net has moved to 8:30 pm EST to allow the Allen County Members to attend the FM Net Training at 9:00pm EST. The Allen County ARES Team assisted in support of the Ignite Trail Series Half Marathon/Marathon at Chain O'Lakes State Park. This is a District event and was coordinated by KD9QHI, Jerry Etnier.

BARTHOLOMEW-----

Four regularly scheduled nets on the simplex frequency for the county.

BLACKFORD -----

Currently there is no EC for Blackford Co

CASS-----

No activity in this area

CLARK-----

We have weekly nets on 146.850 at 0900

DEKALB -----

Net Topics covered in December: Snow, Ice Storms & Blizzards, Net Pro Words 1 & 2, and Notes for Emergency Communications

DELAWARE -----

3 weekly Nets held on 441.900 & 146.730 repeaters and 146.490 simplex

FAYETTE -----

Currently there is no EC for Fayette Co

FULTON -----

Fulton County ARES activated their Sky warn Net on December 28th for a band of storms with high winds that swept through the area starting around 16:00 through 20:00 hrs. During this event we utilized the K9RCR repeater, the KB9WSL repeater in our county. We established comms with White, Cass, Marshall and Kosciusko County through their repeaters and also used the N9GPY DMR repeater in Marshall County to contact Net control for Indiana Weather Ops.

Are ARES team along with Fulton County EMA was able to get the necessary material for building a tilt over 30ft antenna mast to replace the tower that was blown down in a storm this summer.

GRANT-----

Still fine-tuning repeaters, waiting on new controller to link machines. Hopefully back to "county" coverage within another month. Still operating at great restrictions.

HAMILTON-----

3 ARES nets on Sunday evenings. Participation was low because of the holidays. On the 6th some of us went to a Holiday dinner that included both local ham clubs. Saturday the 13th we helped the Good Samaritan Network along with Hamilton County Emergency Management delivering a Holiday meal to families in need.

HANCOCK -----

Weekly local net

HARRISON-----

75 mins of air time

HENDRICKS-----

Weekly/Monthly Nets:

We conducted five (5) weekly Tuesday Night ARES Nets on 145.130 MHz during the month and had good participation. We accumulated just over 19.5 man-hours of airtime.

JAY -----

Currently there is no EC for Jay Co

JENNINGS-----

KA9AMP joined NTS.

Addition of one ARES member.

KNOX -----

N/A

KOSCIUSKO -----

Our ARES group supported The IT Arctic run at Chain of Lakes St Park

MADISON -----

Currently there is no EC for Madison Co

MARION -----

We took Christmas week off for our regular nets and did not hold any specific training or activity due to the holidays.

MONROE -----

Monroe County had the following activity in December 2025

5 Weekly ARES Nets that averaged 16 check-ins each week

5 Monday night simplex nets that averaged 8 check-ins each week

2 Skywarn nets

This month due to the extreme cold weather, the monthly warning siren test was cancelled

We also participated in non-ARES Nets with the Welcome net (5) and Thursday Night net (5)

MORGAN-----

None

PUTNAM -----

Had 4 Nets with average 7 checking into the Nets Net lengths 10 minutes long.

RANDOLPH-----

General nets and meeting.

RUSH -----

Currently there is no EC for Rush Co

SCOTT -----

In December, there were 5 scheduled ARES nets conducted on the Scott County EMA repeater (146.610) with 46 check-ins and a total of 88 minutes providing operators an opportunity to check and test their equipment.

SPENCER-----

NETS 5 ANALOG AND 5 DIGITAL

STARKE -----

Nothing to report this month

TIPPECANOE-----

Five training nets took place during the month December. TEMA cancelled the County Siren Test. We had the last meeting of the year at the Franciscan Hospital Cancer Center Community Room. We discussed plans for 2026.Skywarn Net was activated on December 28th due to weather conditions.

TIPTON -----

We did not have any activities other than regular nets

UNION -----

Currently there is no EC for Union Co

WAYNE -----

Currently there is no EC for Wayne Co

Administrative and Other Comments:

DISTRICT 3-----

Ed Scott, K9EJS has resigned as EC from Whitley County and as the Asst. DEC for District 3. Ed has participated in ARES for several years and I have appreciated the efforts he has put forth in those positions.

DISTRICT 6-----

Grant Co: New Club officers take over Jan 1st; EC is considering giving this position after 30+ years

Seeking ECs for: Blackford, Fayette, Grant, Jay, Madison, Rush, Union and Wayne Counties.

Randolph Co EC resigning effective 01-01-2026. There is a person interested in applying for this position.

BARTHOLOMEW-----

Happy New Year!

BLACKFORD -----

Seeking EC for Blackford County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

CASS-----

Activity this reporting period comes from 2 sections. First, our 4 regular weekly nets which lasted 93 minutes total and had 55 check-ins. Second, we did have an emergency net on Dec.28th reference a NWS storm warning. That net lasted 81 minutes and we had 4 check-ins for that time.

CLARK-----

Tornado watch for Clark County with several Tornado Warnings in the surrounding counties

DEKALB -----

none

DELAWARE -----

1 Skywarn severe weather event, no damage

FAYETTE -----

Seeking EC for Fayette County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

FULTON -----

Club members were able to take time before Christmas to help the Salvation Army and be bell ringers in the community.

GRANT-----

New club offices taking over Jan 1st. I'm considering giving up my EC position after 30+ years. Will decide this month. P. Edwin Brown, DDS N9GTL

HAMILTON-----

On December 7th we had a set using digital simplex. Those that were available checked in or attempted to check in using a Yaesu digital radio. 9 were involved in the test. On Dec 28th we did not have a net because of severe weather. 8 ARES members were on the Hamilton County Storm Watch net checking in to report any severe weather.

HANCOCK -----

none

HENDRICKS-----

Miscellaneous:

The ARES LEADERSHIP meeting was held on December 15, 2025, at the MCL in Avon Indiana. This was a combined meeting/holiday dinner and 10 man-hours of time. A good time was had by all.

JAY CO-----

Seeking EC for Jay County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

JENNINGS-----

HF radio at ema needs replacement antenna to be resolved. Plan is to purchase a portable antenna to resolve issue and will also make the radio portable when needed. To be purchased in January.

Training ideas were presented at meeting but were not approved for 2026 due to absence of EC(medical). 2026 training is to be set at upcoming meeting.

KNOX -----

N/A

MADISON -----

Seeking EC for Madison County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

MARION -----

The 1 Skywarn net was reasonably quiet for Marion County. I spent some time planning and coordinating 2 public service events coming up in January. We plan to resume other ARES activities in January and February.

MONROE -----

Monroe County had the following activity in December 2025

5 Weekly ARES Nets that averaged 16 check-ins each week

5 Monday night simplex nets that averaged 8 check-ins each week

2 Skywarn nets

This month due to the extreme cold weather, the monthly warning siren test was cancelled

We also participated in non-ARES Nets with the Welcome net (5) and Thursday Night net (5)

During the Welcome Net for new hams and Elmers, it was requested that a simplex net be done.

We invited the participants of this net to join the Monday night net on Simplex.

MORGAN-----

None

RUSH -----

Seeking EC for Rush County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

SCOTT -----

The Scott County EMA Group held a VE Testing Session Saturday, December 13th at the EOC. The next testing session is scheduled for February 14th at 11:00 AM. Walk-Ins are always welcome. The testing location is at the Bacala Center, 69 E Wardell St, SE Corner of Courthouse Square, Scottsburg IN 47170 and is ADA accessible. For more info email: steve@wr9g.net or visit www.wr9g.net/links. 73, Steve WR9G

TIPPECANOE-----

January 22nd is TCARES Meeting. Forms, ID cards and other material will be dealt with for those that are committed to the participation. Calendar of events will be distributed.

TIPTON COUNTY-----

We did not have any activities other than regular nets

December 2025

UNION -----

Seeking EC for Union County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

WAYNE -----

Seeking EC for Wayne County. If interested, please contact Marv Gilliland KC9RVL at KC9RVL@arrl.net

Section Manager's desk

Note: Each week, I send out an Indiana Section News email for that week. If you are an ARRL member, log into your profile on the ARRL website to make sure you have "Division and Section News" selected in the "Opt In/Out" section in order to get those weekly emails. The items you see here in the "From the Section Manager's desk" section of the monthly section news are taken from the weekly emails.

Indiana ham recognized by Hurricane Watch Net

The Hurricane Watch Net (<https://hwn.org>) has recognized Jeanmarie Kane KD9UGB for her consistent dedication, support, and professionalism in net operations, particularly during Hurricane Melissa. Jeanmarie received a certificate from the HWN leadership as a thank-you for her contributions to the net. Jeanmarie operates a simple 100-watt station from her home using a vertical antenna.

W1AW/9 Indiana activation

During 2026, ARRL will celebrate the USA semiquincentennial by holding a year-long America250 Worked All States operating event. W1AW/portable will operate from each state on two different weeks. Indiana's weeks are Wednesday through Tuesday starting February 4 and July 15. I'm looking for volunteers to operate W1AW/9 IN during those weeks. If you are interested, please contact me. More details to follow.

Technician question pool changing

A new Technician class question pool has been released and will become effective July 1, 2026. Tests taken before midnight on June 30, 2026, will use the current pool. Test taken starting July 1 will use the new pool. Amateur radio license exam question pools are developed by the Question Pool Committee of the National Conference of Volunteer Examiner Coordinators. You can find the new pool here: <https://ncvec.org/index.php/2026-2030-technician-question-pool>

International Reply Coupons discontinued

Long-term DXers will remember sending International Reply Coupons (IRCs) to DX stations with their QSL cards in the hopes that the DX station would use the IRC to send a return QSL card acknowledging the contact. An IRC is good for international airmail postage in any of the 192 member countries of the Universal Postal Union. IRCs were used for more than just ham radio QSL cards. The Universal Postal Union has recently decided to phase out IRCs. IRCs will become invalid and unusable for postage effective December 31, 2026.

Club Newsletter Contest

As part of the ARRL's 2026 Year of the Club celebration, the ARRL is conducting a club newsletter competition. The contest is open to all ARRL Affiliated Clubs that have published a newsletter for at least one (1) year. The submission deadline is Friday, January 30, 2026, 4 p.m. Eastern time. Full details can be found here: <https://www.arrl.org/club-newsletter-contest>

Club Website Contest

As part of the ARRL's 2026 Year of the Club celebration, the ARRL is conducting a club website competition. The contest is open to all ARRL Affiliated Clubs that have a club website. The submission deadline is Friday, January 30, 2026, 4 p.m. Eastern time. Full details can be found here: <https://www.arrl.org/club-website-contest>

You can help

There are two bills before Congress, S.459 in the Senate and H.R.1094 in the House, that would go a long way to help hams who live with private land use restrictions. These restrictions are often imposed by homeowners' associations. These are bi-partisan bills with co-sponsors from both sides of the political aisle.

ARRL lobbyists have been talking to Members of Congress about these bills and we need action from the amateur radio community to help the lobbyists deliver a stronger message. You can ask your Congressional representatives to support these bills by pointing your browser to <https://send-a-letter.org/hoa/>, enter your amateur radio callsign, and click the "Send My Letters" button. The form will fill in your address information from the FCC license database and use your ZIP Code to determine the correct Senate and House members. That's all there is to it.

What will happen with your letters? They will be printed out by the ARRL lobbyists and hand delivered to the appropriate Member of Congress. Could you write your own letter and send it yourself? Yes, you could. However, individual letters are sometimes delayed or mislaid on their way to Congressional offices. If you use the link shown here, your letter will be hand-delivered to your representatives' offices. Could you send an email yourself? Yes, you could. But, individual letters from constituents that are printed and hand-delivered will have much more impact and that's the service our lobbyists can provide. Do you have to be an ARRL member? No. Every licensed amateur radio operator can use this website to send letters to Congress.

So, do it now! Go to <https://send-a-letter.org/hoa/>, enter your callsign, and click "Send My Letters".

To club officers, you can use the strength of your club's membership to send a message to Congress. Get in touch with Affiliated Club Coordinator Jimmy Merry KC9RPX (kc9rpx@gmail.com) or myself (ak9r@arrl.org) for information about using the club letter boilerplate that the ARRL has prepared.

Upcoming Hamfests in Indiana

The up-to-date hamfest listing for Indiana, and the entire U.S., can be found on the ARRL's website at: <http://www.arrl.org/hamfests/search> Note: Hamfests must be submitted to the ARRL in order to appear on the ARRL website. For more information, see: <http://www.arrl.org/hamfest-convention-application>

If your hamfest is not listed here, please contact Bob Burns AK9R, ARRL Indiana Section Manager, at ak9r@arrl.org
