

The DXCC Honor Roll is earned by Amateurs who submit confirmation for contacts reached within the top 10 of the overall number of entities on the DXCC List. There were 334 entities on the list for the period ending March 31, 2002 with 325 being required for the Honor Roll. The large **boldface** number indicates the total of current DXCC entities. The number beside the callsign represents the individual's overall totals.

Compiled by Bill Moore, NC1L - DXCC Manager

Special Note: Due to a program error the original list shown in August 2002 QST contained some incorrect numbers, especially for those near the top. The problem has been corrected and this list reflects the correct Honor Roll numbers.
