Unlimited Rover	W6TE	447,432	560	103	CD9EFGHI	2009

¹ KG6TOA's 2008 score for Limited Rover remains the highest score for the category, however, a change in the rules starting in 2009 specified that only the 'bottom four' bands (222, 432, 902 and 1296 MHz or CD9E) were allowed for Limited Rovers so ACØRA's score from 2015 is the highest score for Limited Rover with that rule change.
