

2019 ARRL Field Day – Checklogs

CHECKLOGS: This list includes DX Stations, and also includes those W/VE stations from which ARRL did not receive the required list of stations worked by band/mode (aka Dupe Sheet, or Cabrillo file in lieu of same).

For W/VE stations, several email attempts were made to obtain the required data from the submitting station.

Direct questions to fdinfo@arrl.org

Thanks to all stations who participated!
