Re: 2016 10-Meter Logs and Eligibility List Review

Folks,

At the ARRL Contest Club Tools web page ([www.arrl.org/contest-club-tools](http://www.arrl.org/contest-club-tools)) we have just added a “10-Meter Participant and Club Eligibility detail” Excel file for Contest Clubs to review.

This file contains submitted logs and Eligibility List data for the 2016 ARRL 10 Meter Contest.

The file name is: **2016 10m Participant and Club Eligibility detail.xls**

This file has three sections:

- The first section (sorted by Club Name) shows member log-submission information (sorted by Call Sign) for clubs that submitted an Eligibility List prior to the event. The residence requirement (mileage or section) is shown for each club. Residence information is shown for each member, if provided. Members not listed on a club’s Eligibility List are flagged.

If there is no call sign in column A (Contest Call), these members operated at a station participating as a multioperator entry crediting the club. Multioperator entries are subject to the rule requiring 50% club membership.

- The next section (“Ineligible Clubs”) lists clubs for which an entry crediting the club was submitted, but the club had not submitted an Eligibility List.
- The final section (“Eligible Clubs”) is a list of clubs that submitted Eligibility Lists showing when the list was submitted.

Please review the file and have your members bring any questions to you or your responsible club official or secretary.

Upon your completed review, club secretaries or responsible officials may contact the ARRL Contest Branch to discuss any adjustments to their club’s summary results. For example, the club may request ineligible members be removed from the club total. The member could be ineligible because they weren’t on the submitted Eligibility List, their location did not satisfy the mileage requirement, or they didn’t reside and operate in the club section. Multioperator scores might not be eligible if the 50% member requirement wasn’t met.

Challenges to scores submitted for a club may be made by contacting the ARRL Contest Branch with your concerns.
