DXCC Annual List — 2016

First established in 1937, and restarted after World War II, the ARRL DX Century Club Award (DXCC) is earned by amateurs who submit confirmations for contacts with 100 or more entities on The ARRL DXCC List. As of December 31, 2016, there were 339 entities on The List. The DXCC Honor Roll includes those who are within 9 entities of the overall entity count for Mixed, Phone, CW, and Digital modes. There is no Honor Roll category for all bands and Satellite. For 2016, entry level DXCC Honor Roll is achieved at level 330 (Current entities only, deleted entities are excluded from the Honor Roll level. See Section I rule 1 (v)). The following Annual

Listing of DXCC membership contains the call signs and credited totals for new awards and endorsements during the calendar year period from January 1, 2016 through December 31, 2016. Honor Roll members are indicated with an asterisk (*). In order to appear in this Annual List, you must have made a submission during the 2016 calendar year, and an active award total must have increased by at least one point. All active Honor Roll members appear automatically, regardless of a submission.
