

The ARRL Diamond Terrace

The ARRL Diamond Terrace is a distinctive opportunity to make a permanent mark at ARRL Headquarters in Newington, Connecticut. Started in 2007 and prominently located at the entrance to Headquarters, the Diamond Terrace is composed of inscribed bricks placed by committed ARRL Diamond Club members. Many bricks are given by members and clubs in honor of Elmers, family members and Silent Keys.

A specially designed certificate representing the inscription on your brick will be sent to you to display in your shack or to present to your honoree.

The Diamond Terrace also includes a limited number of engraved granite garden benches for a contribution of \$10,000 or more.

Thank You!

ARRL is an IRS-designated 501(c)(3) organization holding federal tax identification #06-6000004. Your Diamond Club contribution is tax deductible to the extent that it exceeds the annual value of membership dues and other benefits received. We encourage you to clarify the implications of your charitable giving with a professional advisor.

Diamond Club benefits are awarded for a full year from the contribution date and are renewable annually.
