

The following is the list of ALL 2013 ARRL Field Day Logs Received and includes all logs received to date, include logs sent through the www.b4h.net web applet, electronic entries sent via email, and all paper summaries received.

Logs shown as “Checklog” are listed as such because the entry did not include the required summary sheet or was missing information necessary to report it as a regular entry. If your entry is shown as a Checklog, please contact Mike DeChristopher, N1TA, the ARRL Contest Manager at n1ta@arrrl.org or by phone at 860-594-0232 in order to get your entry reclassified properly. Also, if you find incorrect information in your listing, you may also contact Mike in order to get the corrections made.

Because of an email issue at ARRL HQ, it is possible that your emailed submission was not received. If you do not find your entry on the list, please contact Mike in order to resolve this issue.

Please note: due to QST space limitations, club names are only printed for clubs and groups participating in Class A.

Thanks and 73.
