

## 2020 ARRL Field Day – Checklogs

CHECKLOGS: This list includes DX Stations, and also includes those W/VE stations from which ARRL did not receive the required list of stations worked by band/mode (aka Dupe Sheet, or in lieu of that, a Cabrillo log file). For W/VE stations, emails were sent requesting the required data from the submitting station.

Direct any questions to [fdinfo@arrl.org](mailto:fdinfo@arrl.org)

Thanks to all stations who participated!
