

# Think Unrestricted

As a Diamond Club member, you help ARRL face the challenges of the future with an unrestricted gift at the level of your choice.

Not only will you benefit from having your annual ARRL membership included in the price of your giving level, you will receive additional benefits and recognition depending on the level of your gift.

Learn about these benefits at:

[www.arrl.org/the-arrl-diamond-club](http://www.arrl.org/the-arrl-diamond-club)

# Diamond Club

The Diamond Club Terrace located at the ARRL Headquarters in Newington, CT

The Diamond Club is ARRL's annual giving program exclusively for members, providing endless possibilities to make a difference.

The Diamond Club is a unique way for members to contribute, joining other amateur radio operators in providing charitable gifts that fund ARRL programs and resources that benefit the entire membership.

## Give Back

Members who give \$85\* or more (your \$49 annual membership fee is included in this amount) to the Diamond Club are considered a member of the Diamond Club for the year.

Members can take pride in knowing their contributions support many ARRL programs and activities designed to advance and preserve ham radio.

\* Only \$50 for Life Members

## Make a Difference

Your Diamond Club unrestricted gift will be applied where the need and impact are greatest.

In 2020, Diamond Club contributed to:

- ◆ The launch of the first new ARRL magazine in 30 years -- *On the Air* magazine helps new hams get active
- ◆ Recognition programs for our long time (40+ years) and life members
- ◆ New program development, such as the Build-a-Radio kit initiative

**GIVE online at [arrrl.org/donate](https://arrrl.org/donate)**
