

JARL Award

◇ General Rules ◇

We changed the GCR rule in our award rules. Now we don't need two amateurs' verification so called GCR but your (applicant's) oath that you have all QSL cards of the contacts listed is a must.

1. JARL awards will be issued to amateur stations and SWLs.
2. Each claim must be accompanied by a QSL Card List furnished with the call signs of stations worked (heard), dates, bands and modes of the contacts (receptions) meeting the requirements of the award concerned. The form of list will be specified, when required, in the rules of each award.
3. Each list must be accompanied by a statement of the applicant himself/herself making an oath that the QSL cards of the contacts listed are in the possession of the applicant and that the items of the cards are correctly listed.
4. Fees

Title		Foreign
Awards		16 IRCs / US\$(Equivalent to 2,000JPY)
Endorsment Sticker	AJA / WASA JCC / JCG	8 IRCs / US\$(Equivalent to 1,000JPY)
Plaque	WACA / WAGA HACA / HAGA	10,000JPY / US\$(Equivalent to 10,000JPY)

- ☐ Please contact by e-mail to JARL when you want to transfer from bank.
If you use the payment by bank transfer, you are also requested to pay the bank charge at the recipient bank along with the award application fee.
- ☐ Please contact by e-mail to JARL when you use the paypal.

JARL AWARD https://www.jarl.org/English/4_Library/A-4-2_Awards/Award_Main.htm

5. Applicants can request for maximum three of the following four endorsements:
 - Bands (All contacts made within the same band): All amateur bands
 - Modes (All contacts made in the same mode): CW, AM SSB, FM, SSTV, Digital, ATV, FAX
 - Satellites (All contacts made through Amateur Satellite)
 - QRP (All contacts made through transmitters with OUTPUT of 5 watts or less)
 - QRPP (All contacts made through transmitters with OUTPUT of 0.5 watts or less)
6. Only contacts (receptions) made on and after July 29, 1952 will be acceptable.

7. Only contacts with land stations (including mobile stations on a river or lake) will be acceptable. Those with maritime and aeronautical stations, however, will be acceptable for the 50MHz-100, 144MHz-100, 430MHz-100, 1200MHz, 2400MHz, 5600MHz, 10GHz, 24GHz, 47GHz, 75GHz and VU-1000 awards.
8. Only contacts with amateur stations authorized by the administration will be acceptable. Contacts with the Far East Military Auxiliary Stations in Japan will not be acceptable.
9. All contacts must be made on land (river/lake) within the same Entity.
10. All correspondence should be sent to:

*** Note**

- Please note that you don't need to send the QSL cards.
- eQSL . . . If you can print received eQSL, we can accept it.
- LoTW . . . Sorry. You can not use LoTW QSLs.

Japan Amateur Radio League - Award Desk

3-43-1 Minamitsuka, Toshima, Tokyo 170-8073, JAPAN

award@jarl.org

All Japan Districts (AJD /SWL-AJD) :

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of the 10 call areas (1 through 0) of Japan.

Worked All Japan prefectures Award (WAJA)

Heard All Japan prefectures Award (HAJA) :

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of the 47 prefectures of Japan. A list of QSL cards should be arranged in order of WAJA (HAJA) reference number, however names of prefectures may be omitted.

Japan Century Cities (JCC)/(SWL-JCC): JCC-100 ... 800

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of at least 100 different cities of Japan. JCC-200, 300, 400, 500, 600, 700 and 800 will be issued as separate awards. A list of QSL cards should be arranged in order of JCC reference number, however names of city may be omitted. An additional sticker will be issued at every 50 contacts like 150, 250, 350, 450, 550, 650, 750 cities.

*[Notice]Status change of Tokyo special wards (Ku in Tokyo metropolis) Effective on April 1, 2010 , each special ward (Ku) in Tokyo metropolis is counted as a city for JCC and WACA awards, and Tokyo metropolis (JCC No. 1001) became a deleted city on the same date.

Japan Century "Guns" (JCG)/(SWL-JCG): JCG - 100 ... 500

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of at least 100 different "guns" of Japan. JCG-200, 300, 400 and 500 will be issued as separate awards.

A list of QSL cards should be arranged in order of JCG reference number, however names of "gun" may be omitted.

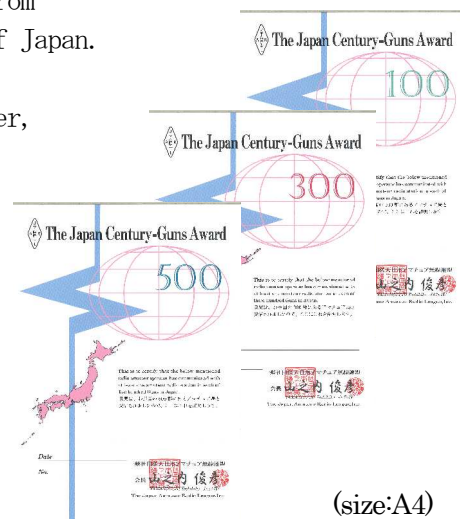

An additional sticker will be issued at every 50 contacts like 150, 250, 350, 450, 550 guns.

WHAT IS "GUN" ?

Japan has, as administrative districts, 47 prefectures, which are divided into cities, towns and villages.

"Gun" not being an administrative district, is a regional congregation of towns and villages.

The result is 23 special wards in Tokyo metropolis as new additions to the JCC list and one city, Tokyo metropolis, to be a deleted city on April 1, 2010.

(size:A4)

Worked All Cities Award (WACA) / Heard All Cities Award (HACA)

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of all the cities of Japan that are in existence on the day when the final contact (reception) claimed for the award is made. A list of QSL cards should be arranged in order of JCC reference number, however names of city may be omitted.

(size:A4)

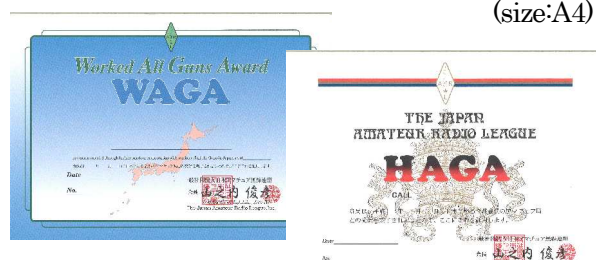

*[Notice]Status change of Tokyo special wards (Ku in Tokyo metropolis)

Effective on April 1, 2010, each special ward (Ku) in Tokyo metropolis is counted as a city for JCC and WACA awards, and Tokyo metropolis (JCC No. 1001) became a deleted city on the same date.

The result is 23 special wards in Tokyo metropolis as new additions to the JCC list and one city, Tokyo metropolis, to be a deleted city on April 1, 2010.

Worked All Guns Award (WAGA) / Heard All Guns Award (HAGA)

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of all the "guns" of Japan that are in existence on the day when the final contact (reception) claimed for the award is made. A list of QSL cards should be arranged in order of JCG reference number, however names of "gun" may be omitted.

(size:A4)

Worked All Ku's Award(WAKU)

(We have started the application receipt of this certificate of merit on April 1, 2010.)

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of all the Ku(=Ward) of Japan that are in existence on the day when the final contact (reception) claimed for the award is made.

A list of QSL cards should be arranged in order of Ku reference number, however names of city may be omitted.

- * Ku means an administrative unit (=ward) in the government designated cities in Japan (except the 23 special-ward in Tokyo Metropolitan Government). For example, Osaka city and Yokohama city, etc. are divided into several Ku's. You can download the list of Japan's all Kus.

(size:A4)

○Reference https://www.jarl.org/English/4_Library/A-4-2_Awards/Award_Main.htm * JCC/JCG/Ku list

All Japan Award (AJA)

(size:B4)

May be claimed for having contacted (heard) with 1,000 different cities, "Guns" (see JCG rule) and/or "Ku" (*) using at least 2 bands, and received 1,000 QSL cards from contacted station.

Endorsement stickers are issued at the level of each additional 500 (below 3,000) and each additional 250 (above 3,000).

*Contacts with a some city, "Gun" or "ku" can be counted on each frequency band.

So, if you have contacts with a same city on 5 different bands, that would earn you 5 counts.

* Ku means an administrative unit (=ward) in big cities of Japan. For example, Tokyo-23 wards and Yokohama, etc. are divided into several Kus. You can download the list of Japan's all Kus.

Reference https://www.jarl.org/English/4_Library/A-4-2_Awards/Award_Main.htm * JCC/JCG/Ku list

Contacts with such big cities which are separated to several Kus should be counted as each Ku's points only. You cannot count such contacts as cities points. But, contacts with those big cities they don't have been separated to Kus yet, should be only the city's points. For example, Saitama-city (JCC number:1344) was separated to Nine Kus on April 1, 2003. Your contacts with Saitama-city on and after April 1, 2003 must count as only Kus points. Your contacts with Saitama-city before April 1, 2003 should be counted as Saitama-city.

Asian DX Award (ADXA) : 30 Asian entities / Asian DX Award Half (ADXA-HALF) : 15 Asian entities

May be claimed for having contacted (heard) and received a QSL card from an amateur station located in each of at least 30 /15 Asian entities including Japan.

DXCC entities are standard, the Asian ones grouped in the Asian Entities List. A list of QSL cards should be arranged in order of the listing of the Asian Entities List.

(size:B4)
