

1. To begin you must first sign into the ARRL web site

The image shows the top section of the ARRL website. On the left is the ARRL logo, a yellow diamond with a radio symbol and the letters 'A', 'R', 'R', 'L'. To its right is the text 'ARRL The national association for AMATEUR RADIO™'. In the center, a 'Site Login' section is circled in red, containing a 'Username' input field, a password field with dots, and 'Login', 'Forgot Password?', and 'Register' links. To the right of the login section are search boxes for 'Website Search' (with 'Keyword' and 'Category' dropdowns) and 'Call Sign / Name Search' (with 'Search Licensees' and a 'GO' button). A shopping cart icon shows '0 items'. Below the header is a dark blue navigation bar with buttons for 'Home', 'On The Air', 'Licensing, Education & Training', 'Membership', 'Regulatory & Advocacy', 'Public Service', 'Technology', 'Get Involved', 'Publications & Store', 'About ARRL', and 'News & Features'.

2. Next, select the GET INVOLVED tab from the header menu then choose CLUBS from the site callout or from the sidebar menu.

The main content area features a large yellow banner with the ARRL logo and the text: 'ARRL is the largest organization in the world representing radio amateurs. You can help to expand the voice and visibility of the Amateur Radio Service by volunteering and supporting ARRL.' Below the banner are six content blocks: 'New to Ham Radio?' (Learn More), 'Volunteer' (Learn More), 'Donate' (Learn More), 'The ARRL Foundation' (Learn More), 'Connect to Hams' (Learn More), and 'Clubs' (Learn More). The 'Clubs' block is circled in red.
