

Detailed Propagation Tables for
Ireland (Dublin)

| SSN Ultra High | SSN Very High | SSN High | SSN Medium | SSN Low | SSN Very Low |
|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|
| January | January | January | January | January | January |
| February | February | February | February | February | February |
| March | March | March | March | March | March |
| April | April | April | April | April | April |
| May | May | May | May | May | May |
| June | June | June | June | June | June |
| July | July | July | July | July | July |
| August | August | August | August | August | August |
| September | September | September | September | September | September |
| October | October | October | October | October | October |
| November | November | November | November | November | November |
| December | December | December | December | December | December |

Each of the month names in the above table is a hyperlink to the corresponding page of this document. Click on the one you want to jump to.

160 Meters: Jan., Ireland (Dublin), for SSN = Ultra High, Sigs in S-Units. (c) 2010 Dean Straw, N6BV
