

## **Emergency Communications Advisory Committee**

June 29, 2010

The ARRL ECAC (Emergency Communications Advisory Committee) was established at the January 2010 Board of Directors meeting. Each of the 15 ARRL Divisions have a representative on the ECAC. There is also a representative from Radio Amateurs Canada, a Board of Directors liaison, HQ staff liaison, and administrative liaison.

Guidelines for the ECAC are:

1. Committee membership shall follow the Rules and Regulations concerning Advisory Committees except that Section Managers are eligible.
2. Committee members should be exceptionally qualified and recognized members of the emergency communications community. Directors are encouraged to consult with the Section Managers in their Divisions in selecting the committee members.
3. The committee shall report to the Programs and Services Committee.
4. The activities of the committee shall be limited to studies of emergency communications issues that are national in scope. Staff will provide written guidance during start-up to ensure that members understand the parameters of the committee's responsibility.
5. The term of the committee shall be limited to three years.
