To: Prospective General, Advanced or Extra Class ARRL Volunteer Examiners

Thank you for your interest in becoming an ARRL Volunteer Examiner (VE). Once you become an ARRL VEC accredited VE, you will join the ranks of more than 35,000 VEs who are able to administer examinations coordinated by our VEC.

To get you started, please view or download our ARRL VEC Volunteer Examiner Manual located in Adobe PDF format on the ARRL Web at <http://www.arrl.org/ve-manual>. The information contained in "Chapter 2 – Becoming a Volunteer Examiner" of the VE manual explains the VE accreditation process.

Complete the enclosed VE Application Form and Open-Book Review. The VE Application Form and Open-Book Review can also be found in the manual. If you have already participated in another VEC program, and if you are current and active in that program, you are not required to take the Open Book Review. Simply fill out the VE Application and include a photocopy of your current VE accreditation from the other VEC program.

Once you have read the on-line manual and have completed the required application document(s), please fax, mail/courier or email us an Adobe PDF file or scanned JPEG image (showing your real signature) to:

By doing so, you will be on your way to becoming an ARRL VE. We will contact you if faxed documents are unreadable.)

Should you have any questions about our VEC program, please feel free to contact us toll free at **1-800-9-ARRL-VE** (1-800-927-7583) or email us at vec@arrl.org. Once we have received your VE Application and your successful Open-Book Review (*if required*), your new VE credentials (VE Badge and VE Certificate) will arrive in a couple of weeks. Best of luck!

ARRL/VEC Open-Book Review

ARRL/VEC Office -- Accreditations
225 Main Street
Newington, CT 06111
Fax: 860-594-0339

You, as a prospective ARRL/VEC Volunteer Examiner, are expected to read and thoroughly understand the *ARRL/VEC Volunteer Examiner Manual*, on which this review is based. Complete this Open-Book Review as soon as possible and return it to the ARRL/VEC (see address above) for processing. Before completing the review, either tear out these pages from the manual, photocopy them or print them. We strongly recommend that you keep a photocopy of your completed review for your records.

This review is not a test. It is simply a review that covers the material in the *ARRL/VEC Volunteer Examiner Manual*. Nevertheless, it's an important part of the accreditation process, the concept of which is not shared by other VECs. Your having successfully completed this Open-Book Review certifies to us and the FCC that your training in the ARRL/VEC program is concluded and that you are prepared to serve as a Volunteer Examiner with the thousands of others who share your enthusiasm. Remember, though, that you may not serve as an ARRL/VEC accredited Volunteer Examiner until we have reviewed your application (and its attachments) and formally approve your accreditation. Our approval is reported to you when you receive your ARRL/VEC accreditation credentials in the mail.

Please allow three weeks for the ARRL/VEC staff to grade your Open-Book Review and process your VE credentials.

When completing this Open-Book Review, you may work alone or with others in researching the answers to the questions. However, please remember that all ARRL/VEC accredited Volunteer Examiners will be individually responsible for understanding and abiding by the regulations and procedures as presented in this edition. To ensure this, each of you must return an individually completed review. Good luck, and thanks for working with the ARRL/VEC !
