Chairman, DX Advisory Committee**

To the Members of the PSC:

From: The DXAC – Prepared and submitted by Gary E. Jones, W5FI, Chairman

Date: December 20, 2016

Subject: Report on Tasking and Final year report

The past 12 months has been a very quiet time for the DXAC as we have had no formal taskings from the PSC or BOD. There have been several letters from at least 2 groups who felt that their particular situation merited consideration as an entity. As chair, I received copies of that correspondence but those issues were resolved at Headquarters. Other than continuing to deal with some frustration on the part of members of DXCC community over the issue of remote stations that come to my email mailbox and directly to me by phone or personal communication, and which indicate continuing unhappiness in some quarters with the possibility of cheating and unethical operation, the DXAC has not been formally tasked with any issue during 2016.

The DXAC remains available for any future task assignments from the PSC.

Respectfully submitted: 73

Gary E. Jones, W5FI  
Delta Division DXAC Representative  
DXAC Chair
